Scoutmaster's note

Our belief is that the boys and young men of our community are driven by a strong desire to experience the wonders of the outdoors. The many trips and activities that we offer the scouts reflects this belief.

"We understand that every scout is different"

We understand that every scout is different and each one deserves respect and tolerance. When each scout respects and tol-

erates every other scout while working through challenges, bonds are built that span their entire lives. Increased self-esteem, in this process becomes a natural consequence as does the building of a strong and moral character.

Scouting today, especially in Troop 48 is a program that helps build life skills in our youth that will last through their adult lives. Skills and attitudes that some day may enable them to turn around and return to their sons and others of their days when they gathered as a youth.

Financial considerations .

Each scout is expected to pay \$40 in dues each year in September. This money is used to provide the scout with registration in the BSA and to purchase any advancements from Camden County Council. Also this money is used the first year of registration to provide a sweatshirt, scout

handbook, t-shirt, troop 7 color patch, and neckerchief for the new scout. Scholarships are always available for any scout in need; all the family has to do is ask; no boy should not be able to participate because of lack of money!
